9 June 1831 &
My Dear Friend
Though our Intercourse has been long interrupted I venture still to address You in the Character of an old Friend
I beg to introduce to You M^{rs} Horner who ~~are~~^{is} now going with her eldest Daughter to the Hotel at Godesberg near your City where they reside some Time till M^{r} Horner joins them. They are desirous of your Acquaintance & I am sure worthy of it. Whatever Degree of Your Attentions & of your Society You may favour them with will be a great Obligation to me in the first Instance.
They will soon supersede that old Claim [2] by winning your Friendship for themselves I presume only with earnestness to solicit you to give them a Trial for my Sake. It will be an additional Pleasure that if you accede to my Wishes I shall hear of you through them.
I am
Dear Schlegel
Your Friend & Admirer
Mackintosh
I thought of You when I saw M. de Broglie here a month ago on a flying Visit.
