[1] My head is so taken by my cold, that I must renounce the pleasure to see you this evening. I go to bed this moment in order to be able to tomorrow morning to prepare and give my lecture. But I shall certainly see you after it, and tell you, how much I love the charming sweet M.[inna]. I am thankful more than I can express for her sweet comforting lines. How much I am disappointed by all this! But we shall certainly make up for it another time.

Shall I have a carriage ready to tomorrow, in order to take you home in it?

Good evening my dear friend
