[1] Muhabelesher Hills

100 Miles S.E. of Bombay

21st May 1829.

My Dear M^r. Schlegel.

Here I am near 5000 feet above the sea enjoying as fine a Climate as can be desired at this hot Season. The Thermometer ^{Farenheit} is never above 75 - and ranges as low as 62 - Here I received an account of all Your kindness to my family when near Bonn, for which I accept my sincere thanks - I have nothing [2] to regret, but that I was not of the Party. but the day will come when I shall visit the Professor, & offer my homage to him in his seat of wisdom & learning.

Among other ~~xxx~~ ^{accounts} I have one of your oriental Room, & as I desire to continue to live in your memory I send a few trifles through [3] Mess^{rs} Treutele & Wurtz to whom I enclose this letter. There is a Babylonian Brick an ornamented Persian Mss & one small Parcel

Containing

6 Silver Coins 3 copper Coins & 2 Rings from Persia of which I pray your acceptance.

I hope soon to obtain a Copy of the Ramayan[a] from Guzerat & I shall send You some copies of our lithographed Persian Mss when Completed.

I leave India at the latest the End of next year & shall I hope visit Germany soon after - Believe Yours
Very Sincerely John Malcolm
