[1] Paris 11. Oct 1835

Dear Sir

I am much flattered by your kindness in having introduced to me, the Baron Schilling de Canstadt , who appears to have collected some valuable materials from Mongolia - and, we shall all look to Bonn - for a further knowledge of them -

My arrival here was darkened by the account of Klaproths death - which will leave a vacuum, difficult [2] to fill up, in Oriental Literature but, I am happy to say, there are many active Individuals who are right zealous in the cause - I shall be glad to receive your opinion of Mr Langlois Haravansa, of which, the 2<sup>d</sup> Livrason, will be complete before Xmas.

Our escape was quite miraulous and it is curious that it should have occurred at the first-Bridge on the [3] Valley of Munster - between Basle and Bienne - Tho not intending to return to England (unless sent for) for some months, I will write to Sir Gore Ouseley Sir Graves Haughton & others who will give Baron Canstädt the accueil He merits, both from his own success and Your recomendation -

Believe me

My dear Sir

Most sincerely Yours

Munster
