[1] Dear Schlegel

I have just time to inclose a letter, which I received this mornng. from Reading concerning our friend Fiorillo, whom I wish to do all the service to in my power & hope that M^r Charnocks information will be satisfactory. We are all in the most anxious suspense relative to the conduct of the Enragées in France in consequence of the recapture of their unfortunate King - I sin[2]cerely hoped that he had found an asylum in Germany, till the news came of his being apprehended on the road. M^r Geo. Smith is just gone to join his Reg^t - I have received a letter from M^r Heyne this mornng dated in April, which I cannot account for. Pray make my respectful comp^{ts} to him, Professor Lichtenberg, and all my German friends. You will much oblige me by sending the inclosed [3] letter to Fredericks Mother & desire Gumprecht to give her three pounds sterling & draw upon me in London for the money. I suppose by this time M^r Lawrence's family are arrived if they are pray make my comp^{ts} & recommend Fischer as their Physician
Leben sie wohl

Yours sincerely
